**Please note:**

- Family and friends of members are not allowed to use the tennis courts free of charge, and a **visitors fee** per person per occasion is payable before playing, for any non-members. Fees can be paid in cash at the courts when a committee member is there, via EFT or via Snapscan card payment at the club. - Gate code and court keys may not be given to or borrowed out to non-members, even if they pay, as this gives uncontrolled access to non-members.

Lights usage must be paid before you use the lights and may change from time to time

Current Lights cost is **R50 per hour** for the two connecting courts and to be paid eft or snapscan

## CLUB ETHOS:

Chrismar tennis club strives to be a relaxed, social and family-oriented tennis club where all players play with/against and mix with all other players of different levels on a regular basis, and we strive to keep cliques out of our club social setup. Although we do participate in competitive leagues, Club Championships and strive to do and play well, this should not result in overly competitiveness that causes friction and divisions between members.
